Nov. 4**

## Tips and Guidelines for Drive-in Bingo

- Enter St. Ann's parking lots from South 5<sup>th</sup> Street in Emmaus and turn left toward the upper lot. Please put on a mask before you get to the Check-In table and anytime you are out of your car.
- Pull up to the Check-In table but do not get out of your car. Your \$20 donation gets you a set of 20 paper bingo sheets (2 cards per sheet), a dauber, and a box supper. You also can request a canned or bottled beverage.
- We recommend you bring a clipboard or other flat object to hold your bingo sheets.
- Follow the Knights who will direct you to your parking space. The Bingo board will be projected on the church wall.
- Once parked, TURN OFF your headlights, turn off your engine and move the key to the Accessory position to power your radio and dome light. For keyless cars, do not put your foot on the brake and then press the Start button. This will power up your accessories like the radio.
- Tune your radio to the designated frequency to hear the numbers being called.
- When you have a Bingo, honk your horn and then turn on your hazard flashers so we know where you are. A Knight will come to verify your winning card. Your prize money will be delivered to your car. Only then, turn off your hazard flashers.
- A selection of desserts and beverages will be offered carside after the tenth game.
- A bathroom is available in the Pastoral Life Center, uphill and across Fairview Street, behind you.
- Please pack your trash into your supper box and take it home.
- Please return your dauber to the Knights positioned by the exit. They will be sanitized for next month.
- Please leave by either the 5<sup>th</sup> Street exit or Fairview Street exit.

Thank you for coming and we hope you have a great time with us.
