Business casual attire.

Our Lady's Helpers Mobile Ultrasound Unit

For pregnant women, seeing an actual ultrasound of their baby in utero is the most effective way to help them decide against an abortion. In our diocese, a small group called Our Lady's Helpers is working to have a mobile ultrasound van near the Valley's one abortion site to offer ultrasounds, counseling, and maternity resources to women heading there. They already have the van and the ultrasound machine. All the proceeds from this Dinner Dance will go towards training the volunteer nurses in making obstetrical ultrasounds."

FOUR EASY WAYS TO ORDER! Choose ONE way below.

Mail -----Mail order form & check to: ----- Bill Sullivan, 2744 Terrwood Dr. E., Macungie
